

Pioner 17 Supersport

Everything you expect from a sports boat

Key Points

- Deep Vee hull
- Spacious design
- 35-37 knots with an 80hp engine

This spacious 17ft sports boat is capable of over 35 knots with just 80hp.

Shock Reduction Concept technology and advanced construction methods mean that even in heavy seas you experience a dry and smooth ride.

The Pioner 17 Supersport is an open, spacious design with ample seating for 7. If you need more space the seats in front can be folded down.

Standard equipment includes: Rear seat cushions; a 55 litre integral fuel tank; grab rail and navigation lights. You will find plenty of large lockers integrated into the seating for storing all your gear. Plenty of space for ropes, anchors and other equipment.

Standard Features

- Integrated headlights
- folding seats
- double steering console with integrated 55 litre fuel tank
- windscreen with integrated grab rail and navigation lights
- padded backrest
- boarding ladder

Optional Features

- A-frame
