

Pioner Viking

Planes easily with engines as small as 20hp!

Key Points

- High freeboard - safe for children
- Planes easily with 20hp
- Lots of space

The high gunnels make the Pioner Viking a safe family boat and ideal for those who are new to boating. The full width central thwart has a splash proof locker for storage. With the optional console fitted she will take 40hp and then becomes ideal for recreational water skiing or wake boarding.

Other optional equipment includes an A-frame with navigation lights; backrest; stainless steel handrails and a windscreen with a stainless steel frame.

Standard Features

- Splash proof lockers
- Battery locker
- Self draining

Optional Features

- A-frame with navigation lights
- Double console integrated into central thwart
- Windscreen
- Grab rail
- Handrails
