

Steady 400

Handling characteristics to challenge most sports boats!

Key Points

- Planes easily
- Incredible stability
- 1,000kg carrying capacity

The Steady 400 has a sophisticated, modern hull that will plane at a little over 10 knots. It produces very little wake and has handling characteristics that will challenge most sports boats.

Features such as a class leading carrying capacity of 1,000kg, high levels of stability, self draining and safety ropes as standard make this versatile boat ideal for a range of uses.

Put it to work as a club safety boat, work boat or even a small ship's tender.

Standard Features

- Drain plug
- Fuel locker
- Safety Ropes

Optional Extras

- Console
- Windscreen
- Grab rail
- A-frame with navigation lights
- Padded backrest
